

Dear Myanmar Muslim Brothers And Sisters,

Warm greetings from the Myanmar Muslims News Network (MMNN).

We are honored to introduce our platform, Myanmar Muslims News Network, a community-driven and independent online media outlet for all Muslims of Myanmar. Our platform is dedicated to connecting Rohingyas, Kamans, Panthays, Pashus, Pathis, Shan Muslims, Karen Muslims, and many other Muslim communities across the country.

Our mission is to share news, history, opinions, religious topics, and opportunities that are vital for the future of Myanmar Muslims, both inside Myanmar and around the world.

Today, we are still struggling as a community and as an independent voice to be heard. In this critical time, we urgently need volunteer reporters and writers who can help us amplify our collective stories. We warmly invite you to participate in our "Write for Us" program, where anyone — whether journalists, writers, students, or community members — can contribute.

You are welcome to write under your own pen name if you wish to maintain your privacy. We want to reassure you that we deeply value and will protect your privacy and personal information with the utmost respect and care.

We also encourage you to share important Myanmar Muslim news using your unique perspective and voice. Your contributions will help raise awareness, strengthen community ties, and preserve our history for future generations.

Myanmar Muslims News Network is more than just a news source. It is a movement to ensure that the experiences, challenges, and dreams of our people are never forgotten. By working together, we can build a stronger, more connected future for all Muslims of Myanmar.

For article submissions, news tips, volunteering, or collaboration inquiries, please contact us at [info@myanmarmuslim.news] or visit [https://myanmarmuslim.news].

Let us tell our stories together. Let us build our future together.

Sincerely,

Aung San Oo
